### **BED BUG - PREPARATION INSTRUCTIONS**

In order to ensure the best treatment results for bed bugs you must complete the following items.

- Remove all Sheets and Bedding from mattress.
- Place bedding and clothing in Dryer on highest heat possible for at least 20 minutes to kill any bed bugs on them. Place in plastic bags once completed.
- Remove all items from on top and under beds.
- Move all Furniture away from walls.
- Clear out all closets including shelves and floor.
- Dresser Drawers must be removed (Place Drawers on Floor, leaving enough room for technician to move mattress)
- Remove all items from furniture.
- Remove dust cloth cover from the bottom of the box spring and the furniture. If unable to do so give All Seasons Pest Control permission to remove the dust covers.
- Everyone must be out of the areas being treated for 2-4 Hours after treatment, including pets. If anyone is pregnant, they must be out for 24 hours. If anyone has breathing problems, such as asthma, they must be out for 6-8 hours.
