Roach Treatment - Preparation Instructions

In order to ensure the best treatment results for roaches you must complete the following items.

- All cabinets and drawers in kitchen must be emptied (remove all dishes and food).
- All kitchen counter tops must be cleared off.
- All cabinets in bathroom must be emptied.
- All bedroom closets must be cleared out and dresser drawers removed. (Put items on bed).
- All hall closets must be cleared out.
- All children's toys must be bagged up.
- Everything must be moved away from the walls in all areas.
- Everyone must be out of the house for 2-4 hours after treatment. If anyone in the home is pregnant they must be out for 24 hours. If anyone has breathing problems, such as asthma they must be out for 6-8 hours.
